

### Electric

Sioux 8000ES series drills offer the unique Z-handle. Their exceptional ergonomic design make them a well-know Sioux product. They can handle close-quarter work in those tight, hard to reach places while the double insulation protects the operator. Available in reverse models and with variable speeds.

### Accessories

Sioux carries an extensive selection of drill accessories, including hole saws and wire brushes. See the drill accessory section in this catalog for a comprehensive listing.

### Drill Safety

Drilling creates chips and broken drill bits can cause eye injury. Proper eye protection must be worn at all times by tool user and bystanders.

Sudden and unexpected tool movement can cause injury. Be sure your body position allows you to have control of the tool at all times. Make sure your footing is secure.

Tools starting unexpectedly can cause injury. Always remove tool from air supply and activate trigger to bleed air line before making any adjustments, changing accessories, or doing any maintenance or service on the tool.
